

Our first experiences last a lifetime which is why rexx invites strategic partners to our beautiful home city of Hamburg.

We'll fly you over so not only will you get to know our products and processes, but we'll also get to connect our people, share experiences and all the ingredients that drive our success.

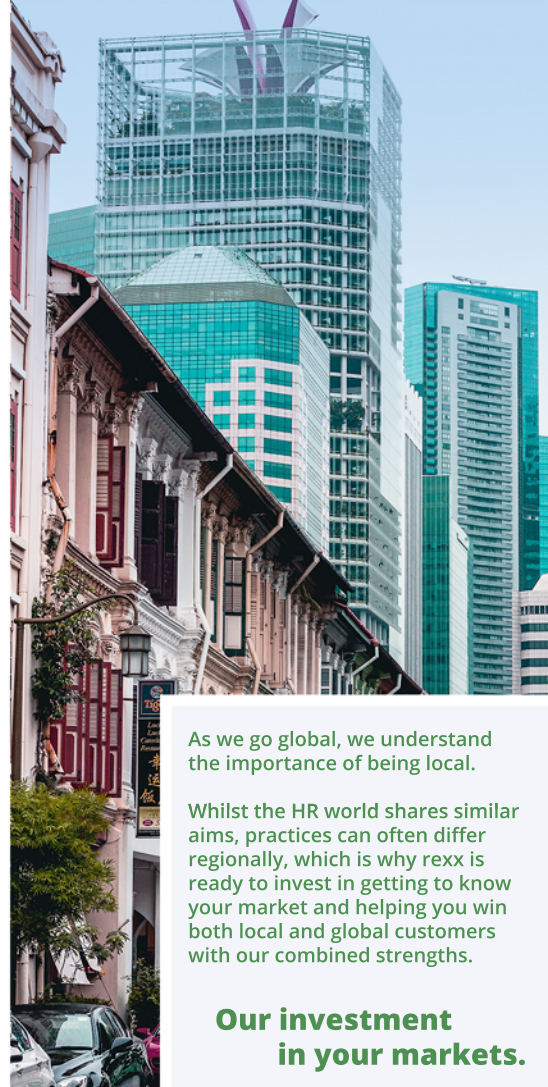

**Our investment
in cooperation.**

At rexx we are firm believers in shared success.

Each team member plays a vital role in not only winning customers but in also making sure that they stay happy, which is why we don't just provide excellent margins for our partners but also continuous training and incentives in winning reference customers.

**Our investment
in shared success.**

As we go global, we understand the importance of being local.

Whilst the HR world shares similar aims, practices can often differ regionally, which is why rexx is ready to invest in getting to know your market and helping you win both local and global customers with our combined strengths.

**Our investment
in your markets.**

PARTNERS FOR SUCCESS

As the leading independent provider of fully-integrated Recruitment, HR and Talent Management solutions „Made-In-Germany“, the global demand for rexx systems continues to rise. This provides an amazing opportunity for partners to replicate the outstanding rate of success rexx achieves in Germany, Austria and Switzerland.
